How to reach us

Approaching from the A 40 motorway from Venlo:

After the Duisburg Kaiserberg motorway intersection (A 3/A 40), exit the A 40 at Mülheim an der Ruhr, Oberhausen Altstadt (No. 15) and turn off to the right in the direction of Mülheim centre.

Pass the traffic lights at the junction and then turn left onto Moritzstraße..

Follow this street which later becomes Friedrich-Ebert-Straße (approx. 2 km from the motorway exit).

Our plant is on Friedrich-Ebert-Straße 125, on the right-hand side.

Approaching from the A 40 motorway from Bochum:

Exit the A 40 at Mülheim-Winkhausen (No. 18) and turn left onto Aktienstraße.

At the end of Aktienstraße, keep right before turning right onto Friedrich-Ebert-Straße in the direction of Oberhausen.

You will see our plant on your left.

Take a left U-turn at the next traffic lights (watch out for the tram!) and then turn right into our plant entrance.
